

Invitation for Abstracts

The planning committee of the 2010 Spring TB Conference would like to invite participants to share their tuberculosis related research, resources or special projects. Please consider sharing your experiences, successes, and lessons learned around tuberculosis care. Abstract presenters must be registered conference participants and be available during the poster viewing session to discuss your work. **Please forward an outline of your project using the abstract submission form to the committee by December 15, 2009.**
