

## Invitation for Abstracts

The planning committee of the upcoming TB Symposium 2012 would like to invite participants to contribute their tuberculosis related research, resources or special projects.

Please consider sharing your successes and lessons learned surrounding tuberculosis care.

Abstract presenters must register as symposium participants and be available during the poster viewing session to discuss their work.

**Please forward an outline of your project, along with your complete mailing address and an e-mail address, to the committee - see deadline below:**

### CONTENT

The body of the abstract should contain the following

- Heading
- Background
- Methods
- Results
- Conclusion

### SUBMISSION

Deadline: February 03, 2012

- Email: [tbconference@shaw.ca](mailto:tbconference@shaw.ca)
- Postal: Tuberculosis Symposium 2012  
# 730 - 9700 Jasper Ave  
Edmonton, AB T6J 4V8

### NOTIFICATION

Submitting authors will be notified of acceptance.
