

## **Message from His Worship Mayor Stephen Mandel**

On behalf of City Council and the citizens of Edmonton, Alberta's Capital City, I welcome delegates from across Canada to the 7<sup>th</sup> Conference on Tuberculosis.

I commend all of you for your devotion to caring for patients and families affected by Tuberculosis. The innovative technology and practices you discuss over the next two days will give you new tools to deliver the excellent standard of care for which your profession is known.

Events like this require a tremendous effort behind the scenes to make sure they run smoothly. Thank you to the event organizers who have worked hard to make this conference a reality.

Please enjoy the presentations and events taking place while you are here, as well as the many fine attractions and services our city has to offer.

Best wishes for a successful conference and for a pleasant stay in Edmonton.

Yours truly,
